Disappointed by God: Luke 24:13-24 (p. 738)

The two men on the road to Emmaus express great disappointment when they say, "But we had hoped he was the one..." What had they been hoping for? (cross references: Dt 18:15; 2Sa 7:12-16; Is 11:6-12; Ez 11:17-20)

The death of Jesus proved to them that he wasn't the savior they expected. What are some things people expect to be true of Jesus today?

There are many people in the world who feel like God has let them down. Have you ever felt that way or known someone else who has?

The Real Problem: Luke 24:25-27

Read Psalm 22:1-2, 6-8, 14-18; Isaiah 53:3-6; and Matthew 16:21-22.

In light of the clear predictions that the Messiah would suffer, why do you think the men got so disappointed when Jesus was crucified?

Hope Fulfilled: Luke 24:28-32

If you had been there, what would you be thinking when you saw Jesus break the bread just like he did three dinners earlier?

The moment of breaking bread was the key unlocking their heart to all the truth about Jesus and why he came. That's when they "recognized" him!

Make it Real

What do we need to know about Jesus and the hope he brings us?

What should we say to someone who has lost their hope in God?
